

TrueStart Igniters®

Product TrueStart® Hot Surface Igniters

Application Universal and OEM Direct Replacement Igniters

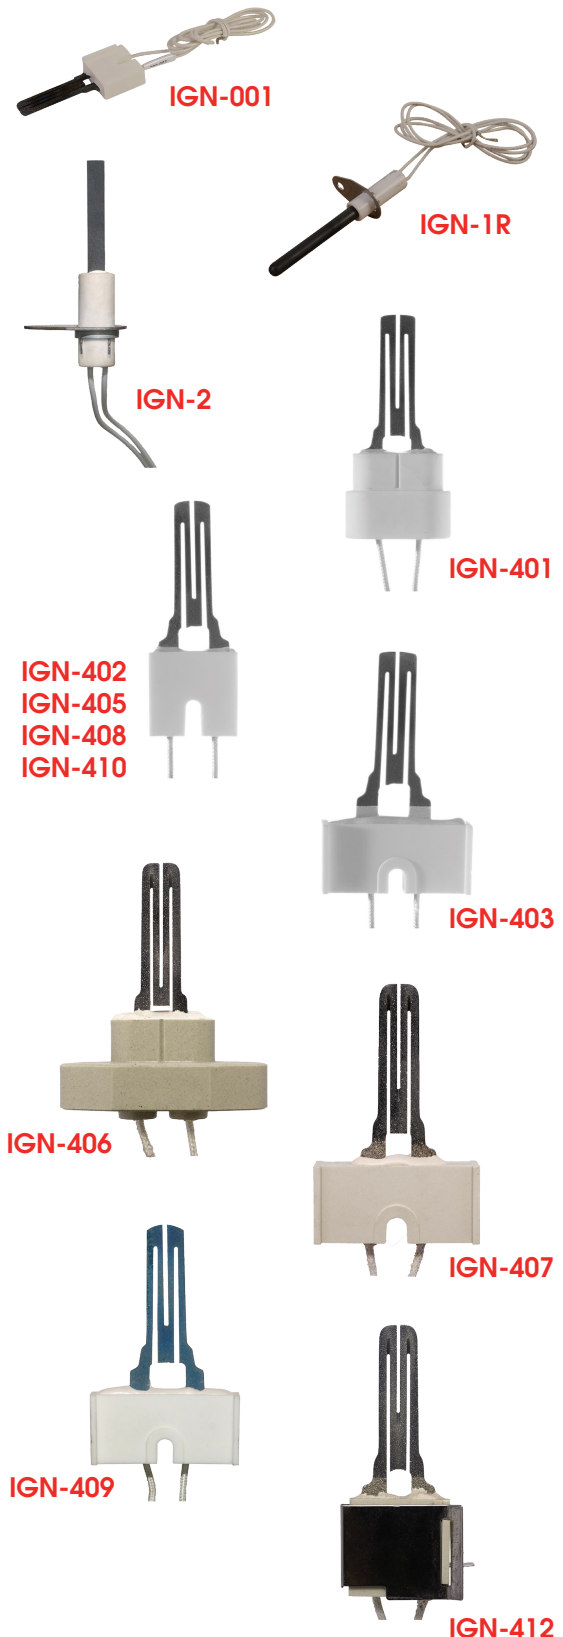

Purpose TrueStart® igniters are made for aftermarket replacement of OEM igniters.

Advantages TrueStart® igniters are made of high quality and durable ceramic materials of Silicon Nitride or Silicon Carbide. They are made in USA, 100% tested and completely reliable. Universal replacement models are available and they are great for truck stock. OEM direct replacement models are also available for time saving installations. All TrueStart® igniters feature protective, dynamic, and informative packaging make stocking and displaying easy for distributors and product selection easy for contractors.

- Features**
- Innovative Igniter Materials
 - 100% tested
 - Universal electrical connection kit and brackets are included in universal models.
 - Made-in-USA
 - CSA Certified
 - Extended Warranty
 - Merchandisable Packaging
 - In Branch Merchandising

Specifications

	IGN-001	IGN-2	IGN-1R	IGN-4xx Series
Materials	Silicon Carbide	Silicon Nitride	Silicon Nitride, Round	Silicon Carbide
Input Voltage	120VAC +10/-15%	120VAC +10/-15%	120VAC +10/-15%	120VAC +10/-15%
Current Ratings	3.2 - 3.8A @ 120 VAC	0.30-0.73A @ 120 VAC	1.3A @ 120 VAC	Up to 4.3A @ 120 VAC
Lead Wire	18 Awg, 200°C Rated	18 Awg, 200°C Rated	20 Awg, 160°C Rated	18 Awg, 200°C Rated
Certification	CSA Certified	CSA Certified	CSA Certified	CSA Certified
Warranty	18 Months	3-Year	3-Year	18 Months

Product List

Catalog No.	Type	Lead Wire	Electrical Connection	OEM Cross Reference	UOM	Order Mult.
IGN-001	Universal, Silicon Carbide	19.0"	Universal Kit	Universal	Each	6
IGN-1R	Universal, Round, Silicon Nitride	15.6"	Universal Kit	Universal	Each	6
IGN-2	Universal, Silicon Nitride	15.7"	Universal Kit	Universal	Each	6
IGN-401	Direct Replacement, Silicon Carbide	5.5"	Molex internally keyed connector with .084" pins	41-401, 201A, 271A, 767A-356, 767A-369, DS401, D99182, B1336102, 10041601	Each	6
IGN-402	Direct Replacement, Silicon Carbide	19.125"	Stripped ends	41-402, 271W, 201K (&L,N,R,W), 767A-357, 62-22441-01, IGN23, 340039P01, C238, C242, 1474-051, &-052, 94851, 3200618	Each	6
IGN-403	Direct Replacement, Silicon Carbide	5.5"	Stripped ends	41-403, 201, 271, 271M, 767A-370, DS403, I360, 1380654, IGN26, IGN30, B138196P01, 511-330-193	Each	6
IGN-405	Direct Replacement, Silicon Carbide	5.5"	Stripped ends	41-405, Q4100C9068/U, 025-27774-000, MB457026, 271D, L37-812, 63470, 767A-361, 025-27766-000, 025-29043-000, B478267, 271P, SIG-405	Each	6
IGN-406	Direct Replacement, Silicon Carbide	11"	Stripped ends	41-406, 767A-374, 63471, 99794326, 201M, Q4100C9050/U, 511-330-188, L37-813, MB457027, MB478268, MB478601	Each	6
IGN-407	Direct Replacement, Silicon Carbide	5"	Molex front lock connector with .092" male pins	41-407, IGN30, 63472, 767A-376, Q4100C9052/U, L37-814, 11120-100-1407, MB457038, 99794327, 271M, B144676P02, SIG-407	Each	6
IGN-408	Direct Replacement, Silicon Carbide	5.25"	Molex side lock connector with .092" male pins	41-408, 767A-372, 63473, Q4100C9054/U, 62-22441-01, 98P78, B340039P01, IGN34, 99794328, L37-815, MB457025, MB478266, 271N, SIG-408	Each	6
IGN-409	Direct Replacement, Silicon Carbide	5.25"	Receptacle with .093" male pins	LH33ZS001A, LH33ZS002A, LH33ZS003A, LH33ZS004A, 271M 41-409, 767-370, DS409,	Each	6
IGN-410	Direct Replacement, Silicon Carbide	5.25"	Molex front lock connector with .092" male pins	41-410, 63475, 767A-377, Q4100C9058/U, B144676P01, MB457551, MB478270, 271N, SIG-410	Each	6
IGN-412	Direct Replacement, Silicon Carbide	5.25"	Receptacle with .093" male pins	41-412N, 10530, 767A-373, B1401009, Q4100C9062/U, 1009604, SIG-412, 1096047 271NM, MB458902, MB478272, 71082, 86483	Each	6
