New Products

Geberit Cascading Tub Filler

A faster fill for a broader range of baths. That's what we offer with our new Integrated, Cascading Tub Filler and Bath Waste/Overflow. A soft crystal flow of water fills the tub at an astounding 18 gallons per minute.* A sleek, low-profile design combines with our proven cable drive system to provide an integrated system that's as effective and trouble free as it is attractive. The Cascading Tub Filler has models to fit differing tub wall thicknesses ranging from .06 to .75 inches.

The .06 to .3124 range is commonly used for fiberglass & acrylic whirlpools. The .3125 to .50 range is typically for cast-iron tubs and the .50 to .75 range is for marble, granite or solid surface materials such as Corian™. Since there is often a variance involved in the manufacturing process for these materials, the manufacturer's specification sheet should be used to ensure proper fit.

There are a number of other design features. These include:

- Mechanical components made from 304 stainless steel and cast or 17 gauge tubular brass for durability and corrosion resistance.
- Maintenance-free encased cable actuates drain plug for easier operation.
- User-friendly, solid brass contour handle available in three finishes.

Your Choice of Finishes

Select from Chrome, Brushed Nickel or ForeverShine™ PVD Brass to complement most popular faucet finishes. **See page 15 for ordering details.**

* Valves not included.

Chicago Faucets

Chicago Faucets brings the same quality and craftsmanship found in our commercial product line to our offering of residential products. Our residential product line is the ideal choice for any gourmet kitchen.

Durable brass construction, stylish designs and bold finishes make a professional statement in any residential application. Add a wall-mounted pot filler over the range, a faucet with a double-jointed spout to the kitchen sink and carry the look to the island bar sink.

Chicago Faucets residential products are designed to complement today's high end kitchens. Since 1901, The Chicago Faucet Company has offered commercial and residential products built to stand the test of time. A combination of the best engineering, finest materials and quality workmanship has made Chicago Faucets the specified choice in many of the finest building projects throughout North America. These buildings include major universities, public schools, professional athletic stadiums, major hospitals and national medical campuses. That list of installations can now include your customer's home.

The 19 SKU's shown in Highlighted Italics in the price book denote items that ship in the standard Geberit lead times (5 days or less). The balance of the Chicago Faucet product ship in 2 weeks or less. **See pages 16-24 for ordering details.**

New this year are two new ForeverShine™ PVD finishes in our solid brass trim sets. The new finishes have a limited lifetime warranty finish when used in residential applications.

The first finish is called Satin Sheen™. It was developed to match the Satine™ finish from Moen. Satin Sheen™ provides a match for one of Moen's more popular new finishes.

The second finish is called Platinum. It was developed to match the Platinum finish from Moen as well as the Satin Nickel finish from Delta Faucet Company. Platinum is slightly different from Delta's Pearl Nickel, which Geberit has also matched. Platinum is growing in popularity in the bath environment. For further information, please see pages 7 through 12 for complete bath waste assemblies and page 14 for trim kit availability and pricing.

Note: Faucet Hole Covers and Airgaps must be ordered in quantities of 10.

Ordering the Tessera Toilet System - 4 Easy Steps

Step One

Order the Bowl - specify color

When installing the bowl on tile or marble, we recommend the 156.050.00.1 Tile Cushion Pad.

111.870.xx.1

DY - White

AA - Bone

FF - Biscuit

xx = above colors

Step Two

Order the Tank and Carrier System

111.816.00.1

Step Three

Order the Seat - specify color

113.050.xx.1

DY - White

AA - Bone

FF - Biscuit

xx = above colors

Activator Options

Step Four

Front Mount

Remote

Order the Flush Activator Style

115.152.xx.1 - Brass Body

10 - Metal Finishes

115.150.xx.1 - Plastic Body

3 Colors

115.946.xx.1 - All Plastic

10 - Metallic Finishes

3 Colors

When using a remote, we recommend the Access Panel kit number **461.043.00.1**

A list of available finishes is shown on page 9.

Tessera Concealed Tank & Carrier & Toilet Bowl

Wall Hung Bowls

Step One

Description	Model No.	Minimum Order Qty.	Pallet Qty.	List Price
White wall-hung toilet bowl	111.870.DY.1	1	12	\$328.00

Terms and Conditions

PRICES – Prices quoted herein are subject to change without notice and all orders are accepted subject to prices prevailing at time of order entry.

TERMS OF PAYMENT – Terms are 2% 45 days net 60. Cash discounts must be calculated on the total amount of the invoice, before transportation charges and any applicable taxes. A 1-1/2% per month service charge will be added to all past due invoices. Annual rate of 18%.

TAX NOTICE – Any manufacturers' or sales tax applicable thereto will be added to the prices and terms herein contained.

CREDIT APPROVAL – All orders are subject to credit approval by the CHICAGO FAUCET COMPANY'S Credit Department prior to acceptance of the order. Orders may be refused, delivery may be withheld or shipments stopped in transit on accepted orders without any liability on the Company's part, if, in its sole opinion, the buyer's ability to pay for the merchandise on the terms and conditions contained herein is in doubt. All New Accounts must submit a \$500.00 net minimum order with credit and bank references.

SHIPPING AND HANDLING – All sales are F.O.B., shipping point. The Company will allow full freight at the prevailing CWT rate on shipments of Company's products with a net invoice value of \$1,500.00 or 24 pieces, * when shipments are within the continental United States and have as destination the buyer's usual business address or designated job location. Freight allowed on shipments to Alaska shall be calculated F.A.S., Seattle, Washington. The use of the term "F.A.S., Seattle, Washington" in this paragraph shall not be deemed to impose any risk or obligation concerning the goods or the shipment thereof upon the Company after the delivery of the goods to the initial carrier. Under no circumstances will a direct C.O.D. shipment be made to the wholesaler's customer.

* Original P.O. must meet FFA terms. Subsequent additions will not be considered towards freight allowance.

Routing of shipments shall be determined at the sole discretion of the Company.

DELIVERY – Delivery to the initial carrier shall constitute delivery to the buyer. CHICAGO FAUCET COMPANY'S responsibility, insofar as transportation risks are concerned, ceases upon delivery in good order to such carrier, and all goods are shipped at the buyer's risk. The buyer is requested to check each incoming shipment carefully before acknowledging receipt from the carrier. If goods are visibly damaged the buyer should insist that written confirmation of the damage be noted on the freight bill by the carrier. If concealed damage is noted after unpacking, the buyer should immediately notify the carrier involved and obtain verification of the damage from the carrier. Claims for shortages in orders will not be considered unless presented to the Company within 30 days after receipt of goods by the buyer.

DAMAGE – All claims for damage in transit, shortage, or nondelivery must be filed against the carrier by the buyer.

CHICAGO FAUCET COMPANY will not be responsible for delay in shipment of goods, or for any damages suffered by reasons thereof, when such delay is occasioned by accident, fire, flood, embargo, strike, war, labor stoppages, inadequate transportation, shortage of materials, delay or default on the part of vendors, government regulations or any other cause beyond its control.

CHICAGO FAUCETS LIMITED WARRANTY – will not be responsible for delay in shipment of goods, or for any damages suffered by reasons thereof, when such delay is occasioned by accident, fire, flood, embargo, strike, war, labor stoppages, inadequate transportation, shortage of materials, delay or default on the part of vendors, government regulations or any other cause beyond its control.

CHICAGO FAUCETS BRAND PRODUCTS ARE SUBJECT TO THE FOLLOWING WARRANTIES:

LIMITED WARRANTY – The CHICAGO FAUCET COMPANY ("Chicago Faucets") extends to the original consumer the following warranties for Genuine Chicago Faucets manufactured products and components, or other components under the Chicago Faucets Warranties, (collectively, the "Products") used in commercial or residential applications.

LIFETIME FAUCET WARRANTY – The "Faucet", defined as any metal cast, forged, stamped or formed portion of the Product, not including electronic or moving parts or water restricting components, or other components covered under other Chicago Faucet warranties, is warranted against manufacturing defects for the life of the Product.

FIVE YEAR CARTRIDGE WARRANTY – COMMERCIAL – The "Cartridge", defined as the metal portion of any Product typically referred to by the product numbers containing 1-099, 1-100, 1-310, 377X, 217X and 274X, excluding any rubber or plastic components, is warranted against manufacturing defects for a period of five (5) years from the date of Product purchase. All Cartridges included in Chicago Faucet's Single Control or Shower Products are also warranted against manufacturing defects for a period of five (5) years from the date of Product purchase.

LIFETIME CARTRIDGE WARRANTY – RESIDENTIAL – For products used in Residential applications, the "Cartridge", as described above, is warranted for the lifetime of the faucet.

ONE-YEAR FINISH WARRANTY – COMMERCIAL – For Products used in commercial applications, the finish of the Product is warranted against manufacturing defects for a period of one-year from the date of Product purchase. PVD finishes installed in public or commercial areas carry a one-year warranty from date of installation.

Terms and Conditions (continued)

ONE-YEAR FINISH WARRANTY – RESIDENTIAL – PVD finishes installed in public or commercial areas carry a one-year warranty from date of installation.

FIVE-YEAR FINISH WARRANTY – RESIDENTIAL – For Products used in residential applications, the finish of the Product is warranted against manufacturing defects for a period of five (5) years from the date of Product purchase. ForeverShine™ finishes installed in residential-use applications are warranted not to corrode, tarnish or discolor for the life of the product.

ELECTRONIC FAUCETS MECHANICALS WARRANTY – Are warranted for 5 years from the date of installation.

ELECTRONIC FAUCETS FINISHES WARRANTY – Are warranted for one-year from the date of installation.

ELECTRONIC FAUCETS ELECTRONICS AND SOLENOID WARRANTY – Are warranted for one-year from the date of installation.

OTHER WARRANTIES – All other Products not covered above are warranted against manufacturing defects for a period of one (1) year from the date of Product purchase.

GEBERIT BRAND PRODUCTS ARE SUBJECT TO THE FOLLOWING WARRANTIES:

KITCHEN ACCESSORIES – shall be free from defective material and workmanship for a period of 1-year from date of installation.

BATH WASTE and OVERFLOW – products carry a limited lifetime warranty on the material and mechanism Tessera™ – concealed tank & carrier units carry a 10-year limited warranty on the flushing mechanisms and limited lifetime warranty on the tank and carrier.

PLATED FINISHES – carry a one-year limited warranty from date of installation with the exception of those finishes designated as ForeverShine™. ForeverShine™ – finishes installed in residential-use applications are warranted not to corrode, tarnish or discolor for the life of the product. ForeverShine™ – finishes installed in commercial use applications are warranted for a period of one-year from date of installation.

ELECTRONIC FAUCETS, FLUSHOMETERS AND METERING MECHANICALS WARRANTY – Are warranted for 5 years from the date of installation.

ELECTRONIC FAUCETS FINISHES WARRANTY – Are warranted for one-year from the date of installation.

ELECTRONIC FAUCETS ELECTRONICS AND SOLENOID WARRANTY – Electronics are warranted for one year from the date of installation. Solenoids are warranted for three years from the date of installation.

PRESSURE ASSIST TOILET SYSTEMS – Are warranted for 5 years from date of installation (pressure vessel), limited lifetime for the carrier plus a one-year warranty on toilet bowl and flush actuator plate. Chicago Faucets will either replace or repair the defective equipment or refund the purchase price, at its option, if an inspection by Chicago Faucets or its authorized representative discloses any manufacturing defects in material or workmanship during this period. These provisions do not include the battery shipped with the Electronic Products. Chicago Faucets will not be liable for any labor or other expenses not specifically stated above and disclaim any responsibility for incidental or consequential damages. Warranties implied by law, including that of merchantability are expressly limited to the period of this warranty. This limitation and exclusion does not apply in those states that do not allow limitations on the duration of implied warranties. Or the exclusion may not apply to you. This warranty gives you specific legal rights and you may have other rights, which vary, from state to state.

RETURNED GOODS – Merchandise may not be returned to the Company for credit unless the buyer obtains prior written approval from the Company. Such approval will be granted only when material to be returned is a Standard or MTO product and is listed in the current price sheets. Credit will be issued on all material returned by permission, at the prevailing price at time of purchase, less a handling charge of up to 35%. No credit whatever will be allowed on products designated as Custom (Custom products are products not designated as Standard or MTO) which have been shipped according to customers' specification. Material, which is marred or damaged, will not be accepted. All transportation costs for returned goods must be paid by the buyer.

ORDER MODIFICATION/CANCELLATION – Orders for Standard and MTO products can be modified or cancelled up to the time the order is being processed for shipment.

A Chicago Faucets customer service representative must confirm the status of order to be cancelled or changed in order to avoid any restocking fees or charges. Changes to the order can potentially extend the acknowledged availability date. Once entered, Custom products are non-cancelable, and will be shipped and billed to the customer.

The Company reserves the right to make reasonable changes of any kind in its products and their packaging without notice.

MINIMUM CHARGE – No invoice will be made for less than \$100.00 (One Hundred Dollars Net) on faucets, valves and fittings or repair parts.

NOTE: Possession of this price sheet by any person is not to be construed as an offer to sell him or anyone else, the goods listed herein at prices stated.
