

Williamson-Thermoflo GWC Gas Boiler

Limited Warranty for Commercial Use

Information on the proper installation, operation, and maintenance of Williamson-Thermoflo products is found in the installation, start-up, operations, owner/user's manuals, service/maintenance instructions, and other printed/technical information provided with Williamson-Thermoflo products or directly from Williamson-Thermoflo.

A. What Does This Limited Warranty Cover?

This Limited Warranty for Commercial Use covers any defects in material and workmanship in your Williamson-Thermoflo GWC Gas Boiler (the "Product").

B. How Long Does The Coverage Last?

There are three separate coverage periods under this Limited Warranty: (1) the Primary Heat Exchanger Limited Warranty Period, (2) the Secondary Heat Exchanger Limited Warranty Period, and (3) the Parts Limited Warranty Period. The Primary Heat Exchanger Limited Warranty Period runs for ten years from the date your Product was installed and applies only to the cast iron primary heat exchanger section assembly in your Product. The Secondary Heat Exchanger Limited Warranty Period runs for five years from the date your Product was installed and applies only to the stainless steel secondary heat exchanger in your Product. The Parts Limited Warranty Period runs for one year from the date your Product was installed and applies to all parts of your Product except the heat exchangers.

Item	Coverage
Primary Heat Exchanger	10 years
Secondary Heat Exchanger	5 years
All Other Parts	1 year

C. Who Can Make Claims Under This Limited Warranty?

This Limited Warranty is available to you if you are the original retail purchaser or a subsequent owner. This Limited Warranty provides coverage to you if you use the Product for business purposes. Williamson-Thermoflo Products used for personal, family, or household purposes are covered by the Williamson-Thermoflo GWC Gas Boiler Limited Warranty for Residential Use.

D. What Will Williamson-Thermoflo Do To Correct Problems?

If Williamson-Thermoflo determines during the first five years of the Primary Heat Exchanger Limited Warranty Period that the primary heat exchanger is defective in material or workmanship, then Williamson-Thermoflo will provide a replacement boiler. If Williamson-Thermoflo determines during the sixth through tenth year of the Primary Heat Exchanger Limited Warranty Period that the primary heat exchanger is defective in material or workmanship, then Williamson-Thermoflo will provide a replacement primary heat exchanger. If Williamson-Thermoflo determines during the Secondary Heat Exchanger Limited Warranty Period that the secondary heat exchanger is defective in material or workmanship, then Williamson-Thermoflo will provide a replacement secondary heat exchanger. If Williamson-Thermoflo determines during the Parts Limited Warranty Period that any other part is defective in material or workmanship, then Williamson-Thermoflo will provide a replacement part for the defective part.

Williamson-Thermoflo will provide replacement boilers, heat exchangers, and other parts to you free of charge. Williamson-Thermoflo will furnish replacement boilers and heat exchangers from the closest comparable boiler model available from Williamson-Thermoflo at the time of the replacement.

If Williamson-Thermoflo provides a replacement boiler, then the heat exchangers and all other parts in the replacement boiler will be covered under this Limited Warranty for the time remaining, if any, under the original Warranty Period applicable to the like item in the original boiler. If Williamson-Thermoflo provides a replacement heat exchanger, then that replacement heat exchanger will be covered under this Limited Warranty for the time remaining under the original Warranty Period applicable to the heat exchanger that was replaced. If Williamson-Thermoflo provides a replacement for any other part, then that replacement part will be covered under this Limited Warranty for the time remaining under the original Warranty Period applicable to the part that was replaced.

Williamson-Thermoflo GWC Gas Boiler

Limited Warranty for Commercial Use

E. What Will Williamson-Thermoflo Not Do To Correct Problems?

Williamson-Thermoflo will not pay for the labor to remove any boiler, heat exchanger, or other part that is the subject of your warranty claim or to install replacements provided under this Limited Warranty. Additionally, Williamson-Thermoflo will not pay for the cost of any tools, materials, or travel necessary to perform the removal or installation.

F. What Is Not Covered Under This Limited Warranty?

This Limited Warranty does not cover components that are not supplied by Williamson-Thermoflo and any Product that has been moved from its original installation site. Additionally, this Limited Warranty does not cover claims you make if the failure, malfunction, or unsatisfactory performance of, or damage to, your Product resulted from or is attributable to:

- (1) Inaccurate or incomplete information or data supplied or approved by any party other than Williamson-Thermoflo;
- (2) The failure to properly size the Products for their use;
- (3) Installation not done in accordance with manufacturer's instructions;
- (4) Services provided by and workmanship of the installer of the Product;
- (5) Improper or negligent operation, adjustment, control settings, repair, care, or maintenance of the Products, or the failure to adjust, set the controls of, repair, care for, or maintain the Products;
- (6) Operation with combustion air contaminated by chemical vapors, with improper fuel additives, or with water conditions that have caused deterioration or unusual deposits in the heat exchangers;
- (7) Freezing, accident, fire, flood, or other acts of God; abuse or misuse; unauthorized alteration; or power surges or failures; and
- (8) Components that are not supplied by Williamson-Thermoflo.

Changes to your Product due to normal wear and tear that do not cause the failure, malfunction, or unsatisfactory performance of your Product are not covered by this Limited Warranty.

WILLIAMSON-THERMOFLO'S MAXIMUM LIABILITY SHALL NOT EXCEED THE ACTUAL PURCHASE PRICE PAID BY YOU FOR THE PRODUCT. IN NO EVENT SHALL WILLIAMSON-THERMOFLO BE RESPONSIBLE FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL (INCLUDING WITHOUT LIMITATION DAMAGE TO OR LOSS OF OTHER PROPERTY), OR PUNITIVE DAMAGES, WHETHER SUCH CLAIM OR ACTION IS BASED ON CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY. ALL IMPLIED WARRANTIES, INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED IN THEIR ENTIRETY.

G. How Do You Make A Warranty Claim?

If you believe you have a claim under this Limited Warranty, please contact a qualified heating or plumbing contractor of your choice. Your contractor will perform a diagnosis and advise you as to whether you may have a claim covered by this Limited Warranty. If your contractor advises you that you may have a claim covered by this Limited Warranty, then the contractor will file the claim with Williamson-Thermoflo on your behalf. If you have questions about this process or the status of your claim, you may contact the **Warranty Center, 523 S New Street, Eden, NC, 27288**, or call **888-821-0124**, or email wt.warranty@williamson-thermoflo.com. Williamson-Thermoflo may require the return of the Product or parts thereof that are the subject of your warranty claim for the purpose of inspection to determine the cause of failure.
